

Church to Church Partnership

LOCAL CHURCHES
on mission together to fulfill the Great Commission

TRUSTED PARTNERS
with defined goals + long-term vision in their community

STRATEGIC TRIPS
that increase the impact of your mission trips

CHURCH TO CHURCH IS NOT FOR EVERYONE

What motivates your church to do missions? Just a box to be checked, or a good thing to do? If you are serious about making a lasting difference, truly changing lives (including your own), it's time to quit dabbling at missions. Instead, please help build God's Kingdom on Earth!

Church-to-Church offers a long-term partnership between a US church and an overseas church-planter or other ministry in our network of trusted ministry partners. These will eventually include locations in Eswatini, Cuba, India, Nicaragua, Romania, Guatemala, and Costa Rica. Yours will be a Kingdom commitment-financially, relationally, and spiritually.

"Consequently, you are no longer foreigners and strangers, but fellow citizens with God's people and also members of his household, built on the foundation of the apostles and prophets, with Christ Jesus himself as the chief cornerstone." Eph. 2:19-20
