The community at Hope Chapel in Apex, NC, fell in love with a community in Swaziland on an Adventures in Missions Vision Trip last October. On that trip, the leader’s hearts were deeply touched, and they returned to Hope Chapel knowing they needed to find a way to bring hope to their brothers and sisters in Swaziland.

So they decided to ship as much hope as possible—literally. A 40 foot shipping container is currently being filled with needed supplies, including clothes, shoes, non-perishable food, medical kits, and raised garden kits—all bound for Swaziland. The Hope Chapel community has already raised $2,000 of the $15,000 it will take to pay for and ship the container, and the container itself is about halfway full of supplies.

But Hope Chapel won’t stop at simply giving their sister community a shipping container—why not a new preschool as well? After the container arrives in Swaziland, a group from Hope Chapel will go to transform their shipping container into a preschool. By adding windows, doors, and a teacher’s desk, this converted shipping container will keep giving by being transformed into a place of education, hope, and love in the community long after the supplies it contains are distributed.

Hope Chapel’s love for and partnership with the people in Swaziland is a great example of how we are called to share hope with others throughout the world. As we continue to connect the Body of Christ regardless of cultural or geographical boundaries, consider how your congregation or community could join in bringing hope to those in Swaziland.

For more information or to get involved in Swaziland, contact Scott Borg at scottborg@adventures.org. To give, visit www.adventures.org/give and click on the Swaziland link.
Medical care including HIV/AIDS support. New church plants have changed thousands of lives and are continuing to grow exponentially.

- 26.1% HIV infection rate for Swaziland
- 30 Life expectancy in Swaziland
- 20% Of the population are orphans
- 4,800 meals served daily to children at 30 care points
- 90 women are being trained in a Women’s work co-op

But because of our partners, donors, and missionaries, we love for you to experience the hope, joy and light we see each day in our work there.

Join us on this Vision Trip to Swaziland – your life, your family, your business, and community will never be the same.

What if the next time you gave to the poor, the weak, and the orphaned, you gave the gift of yourself? Use your arms to hold the children who have no mother or father to make them feel loved. Be the one to put smiles on faces just by playing the simple games you loved as a child. Let your hands offer life-sustaining food to those who don’t know where their next meal is coming from.

From November 4-13th, 2011, join us as we go on a Vision Trip to be with the people of Swaziland. This trip will be filled with hands-on experiences and life-changing encounters as you share in our passion for serving and loving the Swazi people.

**Vision Trips** are ideal for pastors, businessmen and women, and lay leaders or families who want to do something meaning-filled with their life. We are looking for those who will not only catch the vision, but spread the vision by encouraging others to make a difference through praying, giving or going.

Come and stay in comfortable lodging and experience the local culture, food, and attractions, including an optional safari expedition. You have the freedom to make your own travel arrangements and can arrive early or stay longer to sightsee in different parts of the region. You may raise your own support to cover the trip cost by having donors send gifts on your behalf directly to Adventures in Missions.

In the midst of extreme poverty, oppression and the painfully high HIV rate of Swaziland, we would love for you to experience the hope, joy and light we see each day in our work there.

Join us on this Vision Trip to Swaziland – your life, your family, your business, and community will never be the same.
